COMPANY PROFILE & HISTORY

We offer to couples who decide to get married abroad in our country, tailored services with a warm family touch and friendly relationship with the couple.

Our company headquarter is in Dallas, Tx and the wedding planning staff is based and live in Italy. This way we can offer to our customers the benefits of a company based and incorporated in America and the knowledge of Italy as Italians.

We have organized many successful events throughout Italy and we had the honor of being reviewed in major magazines as **"You and Your Wedding"** and the major blogs and websites of this sector as **"Style Me Pretty"**, **"greenweddingshoes.com"** etc.
